European Biomass Research Network - Members cooperation agreement

I certify, on behalf of my research institute , that the information contained in the application is correct and that my organisation has agreed to take part to the European Biomass Research Network.

The research institute confirms its interest to cooperate with the other EUBREN Members in order to carry on new research initiatives and projects, participating to the activities and to the exchange of knowledge promoted by the Network.

I certify that my research institute will be able to communicate with both EUBREN administrator and its members, with english speaking staff and english written documents .

As member of EUBREN, the research institute will participate to the annual general meeting organized by the administrator in order to plan activities and work on new projects and initiatives. In the case it will be impossible to participate to the meetings, the research institute hereby declares to provide a letter of delegation to EUBIA.

EUBIA confirmed its role. The European Biomass Industry Association will be assisting all EUBREN members, securing a continuous communication and management activity, in compliance with the network needs and members' requests.

The applicant hereby declares to admit the role of the EUBIA as the responsible in charge of EUBREN coordination and management.

Yours sincerely
